

User stories - Krogkollen

As a user I want to be able see a variety of pubs in my area.

As a user I want to be able to get detailed information about a specific pub. This information should include the time I'd have to stand in the queue to get in, the entrance fee, the age limit and the opening hours.

As an entrance host at a pub I would like to be able to update the queue time of my pub.

As a user I want to be able to see myself on a map in relation to close pubs.

As a user I want to be able to compare different pubs with the help of a sortable list. I want to be able to sort this list of pubs by distance and queue time.

As a user I want to be able to mark a pub as a favorite and also have an alternative to only show my favorites.

As a user I want to be able to like or dislike a pub and this information should be collected so that all users can see how many likes and dislikes a pub has received.

As the owner of a pub I want to be able to decide the information about my pub.

As a user I want to be able to search for the name of a pub, find it and see more detailed information about it if it exists in the application.
